Dear Richard:

I appreciate so much the invitation to be a part of your Lectureship this year. I do hope that my presentation was profitable and in some way will assist in the good work that you and Wayne Bounds are doing with the 10th and Broad congregation.

I did want to explain my sudden departure on Monday evening. I went through the auditorium, looked around out front and not seeing a car driving up or seeing anyone waiting, decided to drive on home, rather than make a night of it there waiting on the man who called. I hope that it didn't create a personal inconvenience for you. I also would like for you to send me his name and address, if he did show up at the building before you left. I will be happy to write a letter of explanation to him, offering my interest and making specific suggestion that he continue to seek whatever help he needs from people there in Wichita Falls.

I do hope there was no inconvenience, and that the man was not hurt that I did not wait.

Fraternally yours,

John Allen Chalk
